SPONSORSHIP OPPORTUNITIES

SPONSORSHIP OPPORTUNITIES AND BENEFITS

The College Savings Foundation (CSF) is having its annual conference at the Luminary Hotel & Co. in Fort Myers, FL from March 3-5, 2026. The College Savings Foundation consists of investment managers, state officials, state program managers, law firms, accounting and consulting firms and non-profit agencies that participate in the sponsorship or administration of 529 college savings plans.

Sponsors of the conference will benefit from the opportunity to interact with leaders in the college savings industry.

For any sponsor joining CSF as a new member, within 60 days of the conference, the first year's dues will be reduced by 50% at the level the organization chooses to join.

Topics Covered

A variety of timely topics will be discussed in detail during general sessions, including:

- Federal Legislative and Regulatory Updates
- Expanded Uses of 529s
- Capital Markets
- Integrating 529s with Financial Wellness
- Investment Trends

Attendees

This is a unique opportunity to network with and introduce your products and services to financial services and other key professionals involved in the 529 college savings plan industry including: representatives of program managers and investment managers; State Treasurers and staff; state sponsors and program officers; senior managers at broker-dealer firms including marketing and product managers and operational professionals involved in the development, support and servicing of these programs; legal and compliance professionals, accountants; higher education professionals; representatives of not-for-profits; financial advisors and planners and other interested parties.

ABOUT US

College Savings Foundation (CSF) is a Washington, D.C. based not-for-profit organization with the mission of helping American families achieve their education savings goals by working with public policy makers, media representatives and financial services industry executives in support of education savings programs.

CSF serves the education savings industry as a central repository of information and an expert resource for its members and for representatives of state and federal government, institutions of higher education, and other related organizations and associations.

CSF's education savings mission serves families and individuals of all income levels and ethnic backgrounds across the nation. CSF supports the broad availability of, and participation in, 529 Plans, and encourages states to consider treating participation in all 529 Plans equally when considering legislation establishing any type of state benefits to 529 Plan participants. A competitive environment in which 529 Plan selection is based on the merits of each 529 Plan, the investor's prior investment experience, college savings time horizon, and risk

tolerance and not on state tax or other benefits, will result in more successful savers and ultimately make college more affordable and accessible to more families.

Why become a sponsor?

CSF is committed to creating meaningful opportunities for our sponsors to increase awareness and access to the CSF Membership:

- To gain exposure through educational and networking sessions
- To reach attendees through the mobile conference app
- To make personal connections
- To support the 529 community
